International Conferences and Seminars 2011/2012

- 4th International Conference Solar Air-Conditioning
- 3rd European Conference SmartGrids and E-Mobility
- 2nd European American Solar Deployment Conference – „PV-Rollout“
- 6th European Conference PV-Hybrid and Mini-Grids
- Power Electronics for Photovoltaics
- Quality of PV-Systems
- PV Power-Plants
- Installation of PV-Systems
- Solar Technologies for Developing Countries
- Monitoring of PV-Systems
- 4th International Conference Thin-Film Photovoltaics

INFORMATION ABOUT OTTI

Ostbayerisches Technologie-Transfer-Institut e.V.

- We are a non profit organisation founded in 1977.
- Our aim is to stimulate the industrial economy and to support the co-operation between science and industry.
- We are one of the leading European conference organisers of seminars and conferences in the field of renewable energy. Furthermore, we offer courses in the fields of building, construction and the efficient use of energy. Our conferences with the accompanying specialist exhibition in Banz Monastery belong to the definitive meetings of the solar energy sector in the German-speaking area.
- In 2011, we have organized over 200 seminars, specialist forums and conferences. About 6,500 specialists and managerial personnel from industry, research institutes, engineering and planning offices took part.

For further information, please visit our website www.otti.eu

All seminars and conferences offered in this leaflet will be held in English.

Participants' Testimonials:

"Thank you for the perfect organisation of the Seminar Power Electronics for Photovoltaics"

Stephan Sutter, International Rectifier, Neu-Isenburg, Germany

"I do not want to miss the opportunity to once again kindly thank you for this very successful event. There were lots of very interesting presentations, everything was optimally organized and we made many good and new contacts. For this reason I am pleased to support this Conference in the future." (Smart Grids and Mobility)

Eberhard Petri, ECPE European Center for Power Electronics e.V., Nürnberg, Germany

4th International Conference

SAC-3679

Solar Air-Conditioning

Conference Topics

- Political – Economic Framework
- System Design: Design Tools, Simulation, Engineering
- Practical Experience: Operation Maintenance, Energy Performance, Cost Performance
- System Technology
- Components: Heat Driven Water Chillers, Heat Driven Open Cycles
- Solar Cooling Applications
- Standardisation and Quality Management

Conference Chairman

Dr. Kyriakos Tsiftes
University of Cyprus, Nicosia, Cyprus

Date

October 12th - 14th, 2011
Palm Beach Hotel, Larnaka, Cyprus

Conference Fee if registered after August 20th, 2010

Per Person	€ 780.00
Member of OTTI	€ 680.00

Reduced Fee for Presenters

Per Person	€ 380.00

3rd European Conference SmartGrids & E-Mobility

SGM-3822

Conference Topics

- Smart Grids & E-Mobility
- Mobile Storage and Economics
- Information and Communication Technologies (ICT)
- Charging & Testing
- Case Studies & Demonstration Projects

Conference Chairman

Petter Støa, PhD
Research Director SINTEF Energy Research, Norway and
Senior Visiting Researcher Brunel University, UK

Date

October 17th - 18th, 2011
NH Hotel Munich-Dornach, Munich, Germany

Conference Fee

Per Person € 720.00
Member of OTTI € 650.00

Reduced Fee for Presenters

Per Person € 310.00

2nd European American Solar Deployment Conference – „PV-Rollout“

ROC-3925

Perspectives

- Financing/Costs
- Project Development
- Electrical Standards/Structural Requirements
- Sunshot Initiative

Conference Topics

- PV Markets
- Concentrating Photovoltaics (CPV)
- Modules
- Inverters
- Grid Integration
- Financing and Risk Management / Soft Costs
- PV Power Plants

Online Registration:

Conference Chairman

Prof. Eicke Weber
Fraunhofer ISE, Freiburg, Germany

Conference Co-Chairman

Juris Kalejs PhD
American Capital Energy, North Chelmsford, MA, USA

Date

February 9th - 10th, 2012
Omni Parker House, Boston, USA

Conference Fee if registered by January 16th, 2012

Per Person \$ 960.00

Conference Fee if registered after January 16th, 2012

Per Person \$ 1,260.00

At the door

Per Person \$ 1,360.00

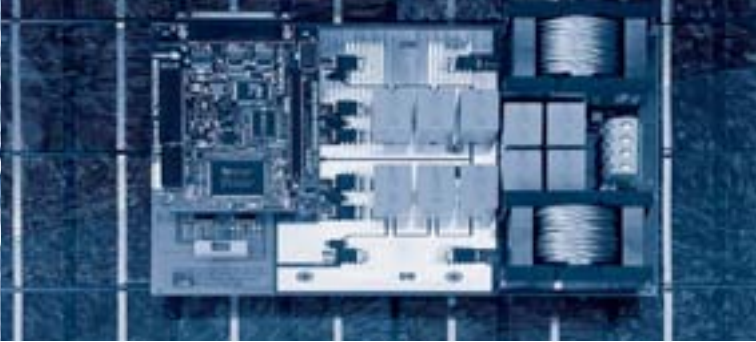

Reduced Fee for Presenters

Per Person \$ 380.00

OTTI members and members of supporting organizations will receive

6th European Conference on PV-Hybrids and Mini-Grids

IPV-3734

Early Bird Fee!

Conference Topics

- Political, Economic and Regulatory Frameworks
- Business models
- System components
- System technology
- Energy Management and grid control
- User interaction
- Field experience and lessons learnt

Power Electronics for Photovoltaics

LEE-4012

Seminar Topics

- Review and Principles of Power Electronics
- Power Semiconductors, Inductors and Capacitors
- Power Electronics for Off-Grid Photovoltaics
- Photovoltaic Inverters for Grid Connection
- Module Integrated Electronics
- Grid Codes for Low and Medium Voltage Grids
- Feedback Control Systems for Power Electronics
- Interactions between Modules and Inverters

Seminar Chairman

Bruno Burger
Fraunhofer Institute for Solar Energy Systems ISE, Freiburg, Germany

Date

June 11th - 12th, 2012
NH Hotel, Munich-Dornach, Germany

Seminar Fee

Per Person	€ 1030.00
Member of OTTI	€ 850.00

Reduced Fee for Employees of Federal Agencies, Universities and Universities of Applied Sciences

Per Person	€ 600.00
------------	----------

Quality of PV-Systems

QPV-4074

Seminar Topics

- Performance Characteristics for the Choice of Monitoring Systems
- Exemplification of the Monitoring of Small-Scale Plants
- Practical Experience with Technical Operation Control of Large-Scale Plants
- Monitoring Concepts for Solar Parks
- PV-Data-Mining – Learning from Monitoring Data
- E-Energy and the Future of PV Monitoring

Seminar Chairman

Dipl.-Ing. Klaus Kiefer
Fraunhofer-Institut für Solare Energiesysteme ISE,
Elektrische Energiesysteme, Freiburg, Germany

Date

June 11th, 2012
NH Hotel, Munich-Dornach, Germany

Seminar Fee

Per Person	€ 490.00
Member of OTTI/Supporting Organisations	€ 460.00

Reduced Fee for Employees of Federal Agencies, Universities and Universities of Applied Sciences

Per Person	€ 300.00

Installation of PV-Systems

MPV-3928

Seminar Topics

- Static requirements
- Mounting options for industrial roofs and agricultural buildings
- Wind dynamic knowledge
- Experience with standards and trade from the expert activities
- identification and assessment of liability insurer
- integrated solutions to foil roofs
- Assembly technology from the perspective of a system provider

Seminar Chairman

Dipl.-Ing. (FH) Christian Keilholz
solarklima e. K., Waldkraiburg

Date

June 11th, 2012
NH Hotel, Munich-Dornach, Germany

Seminar Fee

Per Person	€ 460.00
Member of OTTI/Supporting Organisations	€ 430.00

Reduced Fee for Employees of Federal Agencies, Universities and Universities of Applied Sciences

Per Person	€ 280.00
